

4 Interesting Facts About Flood Coverage Insurance

01

Most standard homeowners insurance policies don't cover floods.

02

Floods can happen anywhere, anytime. Floods can occur due to overflowing rivers, heavy rains, or even clogged storm drains

03

The cost of flood insurance depends on your location and flood risk, but it's generally much cheaper than rebuilding your home after a flood.

04

There's usually a waiting period. Don't wait until the storm clouds gather to purchase flood insurance.
