

4 Interesting Facts About National Flood Insurance Program

01

NFIP is the primary source of flood insurance in the U.S., covering over 95% of all flood insurance policies.

02

Not Just for High-Risk Areas: Even if you live in a low-to-moderate flood risk zone, consider getting NFIP coverage.

03

Separate Policy Needed: Flood damage isn't covered by standard homeowners or renters insurance.

04

Financial Assistance: The NFIP offers financial help to communities that take steps to reduce flood risk through mitigation measures
